Such images and comments are used for news purposes only and not for commercial purposes.

As part of the school's community information program, the Adult School or the District may also wish to place students' pictures, schoolwork, and/or names on the District or Adult School's web site.

The School District only grants to legitimate news media personnel and District personnel photography, video recording, student comments, for posting on the Internet. In order to use such material, student consent is necessary.
